 Nous avons perdu 1 journée pour des raisons de problème matériel, du coup la durée est un peu juste   ne day more wouldn't hurt   Des déconnexions Wifi intempestives ont eu pour conséquence, la perte de plus d'une demi-journée de cours; Prévoir, un répertoire (de secours) contenant les fichiers à télécharger sur le disque dur, de chaque élèves, afin de pouvoir travailler en l'absence de réseaux, si le problème réapparaît.   4 days is perfect.

pb USB + machine non à jour ....   Laptops were good for this training. Missile launcher and development board worked very well. WiFi
was not available and without our phones we couldn't make the training labs! that was the bad point of the training equipment.
