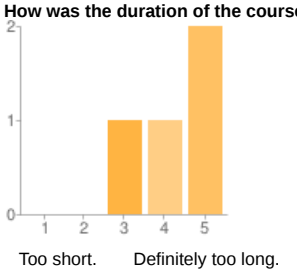
More time to do code modification on the last two labs. It will be nice if you could decrease the time per session day (8) to less hours and maybe increase the number of days. This, to make the course more time friendly.

How was the duration of the course?



1 -	Too short.	**0**	0%
2		**0**	0%
3		**1**	25%
4		**1**	25%
5 -	Definitely too long.	**2**	50%

Comments and suggestions

Hour sessions per day were very long and it is difficult to keep attention / awake all day. However the material of the course is excellent !.

Keep improving !

What part(s) of the course did you like most?

practices Labs, JNI How to include libraries and apps, this might be very helpful specially when trying / using testing (in house made) applications.

What part(s) of the course did you like least?

history long explanations on applications with little practical insight. We don't cover power management / sensors topics :(,
