I thought Miquel was an excellent instructor who is very knowledgeable about the Linux kernel and drivers. He has patience and is a good teacher.

How did the course meet your learning objectives?

What part(s) of the course did you like most?

4 responses

In-depth explanations and explaining details of implementation

The labs

Device Tree topics

DMA

## What part(s) of the course did you like least?

2 responses

n/a

I think the material was long for a five-day course. I did not like that we did not have many breaks. It was very hard to have a long day of learning with intense labs without having many breaks.

What reasons prompted you to choose a Bootlin course?

Copy

10 responses

Course contents — 8 (80%)
Availability of training materials — 2 (20%)
Pricing — 0 (0%)
Management decision — 4 (40%)
Trainer — 1 (10%)
