### What part(s) of the course did you like most?

1 response

Both parts were great. Most beneficial parts were interactive ones. I really like the parts that we investigate a running system and trying to understanding what's going on the system with an expert and by supervised.

### What part(s) of the course did you like least?

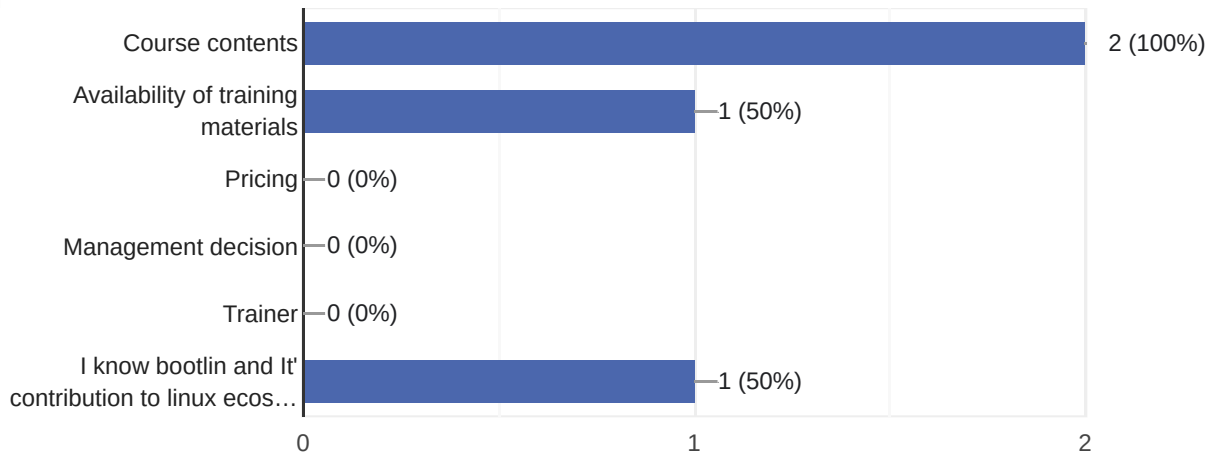

1 response

I don't have such a part. Actually, I would listen more, if we had more content on the topic.
