Perfect

Les labs permettent vraiment de mieux comprendre les points abordés lors des cours. Tous les éléments pour réussir les labs sont présents (dans les slides de cours ou les instructions des labs), tout en demandant un peu de réflexion et de recherche pour rester actif.

Maybe more challenging labs could be interesting.

How would you rate the overall organization of the course?

Antonin did a great job !

Well done Antonin for this very good performance as a trainer. I really appreciate these 3 days.

How did the course meet your learning objectives?

Perfect. I was expecting to clarify the basics and learned some good practices. I was not disappointed

What part(s) of the course did you like most?

6 responses

labs

Antonin took the time to answer the question we had and share his experiences with various project organization with Yocto. Those exchanges were really valuable.
